Certificate of Medical Necessity, Consent, Test Authorization, and Physician Signature

My signature is a Certificate of Medical Necessity by the treating physician that this testing has been explained and is authorized for the care of the patient and that consent has been obtained for Protean BioDiagnostics to release results as part of reimbursement, for follow up information to be obtained, and for the data to be de-identified and disclosed for quality assurance and research. Protean BioDiagnostics customer service may be contacted for any discounts if insurance does not fully cover and with any questions. Unless otherwise indicated, it is acknowledged that Protean BioDiagnostics may direct the testing selected based on the requisition and approach listed on the Protean BioDiagnostics website, according to the pathology reports, and status or quantity of the specimen received.
